

## For Our People and Our Nation

## Part B

Bless the household of Israel wherever they dwell. Be with us here, where we worship You in freedom. And may those who live under oppressive rule find release and liberty speedily, in our own day.

May Your favor rest upon Israel, her land, her people. Protect her against hatred and war. Grant that the promise of her beginning may ripen into fulfillment, bringing comfort to those who seek refuge, light to those who dwell in darkness, new hope to all humanity. And let us say: Amen.
